

# Christchurch City Council Building Operations Unit

## Engineering Services Review

# Recommendations

1. Engineering Resources – all disciplines
2. Consent Preparation Meetings
3. Risk Based Consenting
4. Producer Statement Author & Reviewer Register (now Peer Reviewers only)
5. Engagement With Design Community
6. Compliance Schedules & BWOF

## Timeline (2013)

- SEAP: June – early July
- Risk filter: June – mid July
- Additional resource: June – July
- Peer reviewer register: June - August

## Senior Engineering Advisory Panel

- Engaged at concept design stage
- For more complex designs or sites
- Engaged again at detailed design stage
- Advisory oversight only
- Savings in consent processing times/costs
- Scheduled for trial September/October
- Any projects for consideration in trial?
